

life at The Lodge

frequently asked questions

Is smoking allowed?

No. The Lodge is tobacco-free. The use of pipes, cigarettes, cigars, vapes, electronic cigarettes, chewing tobacco, or other forms of tobacco consumption is prohibited on site. Support is offered for those dealing with tobacco cessation in the form of nicotine replacement options (patch, gum and/or lozenges).

Do you have private rooms?

Yes. 10 of the 12 bedrooms are private rooms, each with a single bed, linens, pillows, a comforter and towels. Each room shares a bathroom.

Can I bring any electronics with me?

Yes. The Lodge allows the use of electronics to aid in your recovery process. To maintain a safe environment for all guests, you may be asked to store power cords, ear buds or other wires in a secured locker when not in use.

Can I wash laundry at the Lodge?

We encourage you to bring at least three sets of casual/comfortable clothing that can be layered. Laundry facilities, detergent, iron and ironing board are provided at no cost.

Can my family and friends visit me during my stay at the Lodge?

Absolutely. We encourage your family or those close to you to be a part of your recovery process. Visiting hours are 5:30 p.m. to 8:00 p.m. daily. Other times available by appointment.

Who will be able to find out if I am there?

No one. You determine who is informed about your recovery.

How old do you have to be to go to The Lodge?

18 or older.

What do you use for detox?

The Lodge is not a substance use recovery program. We do not provide detox. However, those struggling with substance use as well as a mental health crisis, are welcome. The primary focus of treatment is for stabilizing a mental health crisis.

How long will I be there?

The average stay is ten days. Your recovery team will work with you to determine when you are ready to move on.
